## PSYCHOLOGY - CIP 42.0101

### TRANSFER MATRIX: Requirements of the Sending Institution

**General Education Transfer Component (33 hours) + Institutional General Education (15 hours) = General Education Total (48 hours)**  
**General Education Total (48 hours) + Specialty (12 hours) = Transfer Framework (60 hours)**

**NOTES:** A shaded column indicates the college or university does not confer a baccalaureate degree in this program.  
 However, course numbers in shaded columns indicate that the transfer framework may be completed at that institution.

The General Education Transfer Component should be completed according to the general education requirements for this major at the sending institution, unless specific course recommendations are listed.

General Education courses may also be counted toward the major, a minor, or a second major.

Foreign language may be required for the Bachelor of Arts (BA) degree.

An 'M' below indicates that a minor, second major, or area of concentration outside the major is required.
